MEMORANDUM FOR:

Marie,

RMD/OIS will prepare for Hugel's signature a memo addressed to the DCI requesting that [] position be authorized classification authority through TS (TS authority requires DCI approval). PMCD will receive a copy of either the memo or a form authorizing the TS classification. PMCD will have the change made on the Position Control Register (PCR) and send CMO a copy of the change notice. CMO will have to cut an action giving the authority to the person occupying the position. The TS authority will remain with the position and will automatically be given to the person who will eventually replace []

I suggest CMO receive a drop copy of this memo on an FYI basis.

(cy att'd) *Good!*
Thanks!
Marie
